My name is Paige Bentley and I'm a Certified Life Coach.

I really dig helping others create lives they're just crazy about. My super power is showing folks how to turn up the volume on the lives they're holding back on.

Prior to coaching, I earned a Bachelor of Arts in Communication from the University of Louisville and worked in insurance marketing for nearly a decade.

Then my whole life changed while standing on the shore of a lake in Sweden.

I decided to really go after what I was passionate about — helping people be less scared to do the things they really want, the stuff that's tugging at their hearts.

So I became a Certified Life Coach via The Life Coach School, quit my safe and secure (but ultimately unfulfilling) job, and launched my practice, Paige Bentley Coaching, LLC.

Best decision ever.

Today I work with a wide range of clients who are ready to stop standing in their own way and make things happen for themselves.
